

## CIASA & CDM GROUP

Our group CIASA-CDM was established in Guadalajara, Mexico in 1968; since then, it has been our objective (mission) to offer:

**!!! The Best Quality !!!**  
**!!! The Best Service !!!**

Our group is integrated with the companies above, as of today we have direct presence in 12 countries of the Americas.

We have a variety of awards and certificates like the **ISO-9001** that ensures the quality of our process, as well as the **ISO-14001** for our sustainability and concern to the environment and the award of socially responsible company (**ESR**)

We are an ethical driven organization that integrates the respect for the individual, committed to the quality of life of our workers and partners as well as the sustainability of our footprint, caring about the impact in the environment and the community.
